

Cosy, warm and convivial are the attributes that best describe Le Tropical, a place where guests, many of them regulars, feel at home, among friends, and would not contemplate going anywhere else.

Ideally located on the east coast, nestled in the beautiful Trou d'Eau Douce bay, the hotel faces the paradisiac Île aux Cerfs and is also close to the Blue Bay Marine Reserve, thus well positioned to offer a range of interesting marine expeditions. Its relatively small size, with only 58 rooms available, makes for a very special friendly, family-like atmosphere. All the rooms feature either an ocean-facing balcony or patio. The nearby fishermen village of Trou d'Eau Douce is reminiscent of old times and adds to the unique character of Le Tropical, a hotel with personality and charm.
